## WORK EXPERIENCES

---

### Customer Service Associate

July 2022 – Aug. 2024

Perfect Meat Bowl

Markham, ON

- Delivered exceptional customer service by promptly addressing and resolving customer issues, enhancing overall satisfaction and fostering repeat business
- Accurately processed transactions, handled cash register operations, and balanced end-of-day receipts, ensuring financial accuracy and efficiency in a fast-paced retail environment
- Strengthened organizational skills by managing and tracking inventory, ensuring stock levels were maintained, and coordinating timely replenishment to prevent shortages and improve operational efficiency

## VOLUNTEER EXPERIENCES

---

### High School Tutor

Sep. 2022 – June 2023

Milliken Mills High School

Markham, ON

- Communicated and provided individualized instruction to enhance students' understanding of math concepts, leading to improved academic performance
- Assisted students with homework and test preparation, boosting their confidence and study skills.

### Summer Camp Assistant

June 2019 – Sep. 2019

Light and Love Home

Markham, ON

- Supported daily educational and recreational activities for groups of children, contributing to a positive and engaging camp environment.
- Assisted in managing classroom behavior and maintaining a safe and organized classroom setting

## PERSONAL PROJECTS

---

### Portfolio Website | *React, Firebase*

Aug. 2024 - Present

- Implemented CSS frameworks and media queries to create a user-friendly interface that adapts to different screen sizes
- Gained hands-on experience in front-end development and honed problem-solving skills by troubleshooting and refining the website design based on user feedback

### Wordle Clone | *HTML/CSS, JavaScript*

Dec. 2023 – Feb. 2024

- Implemented an API to generate random words for daily challenges
- Designed and coded the user interface using HTML, CSS, and JavaScript to provide an engaging and user-friendly gaming experience
